COMMUNITY GRANTS —VOLUNTEER GRANT

In early March, Glen Park Community Centre was nominated by the Member for Deakin; Michael Sukkar MP, to apply for the 2019-2020 Volunteer Grants opportunity. Glen Park is extremely proud to announce that we were successful with our application and the funding received will be going towards the training and reimbursement of our volunteers expenses, such as the costs of fuel and public transport expenses.

Thank you to Michael Sukkar MP for nominating Glen Park for this amazing opportunity!

PROGRAM COORDINATOR - PAYTON DOWNEY

Hello everyone! The last few months have been challenging for us all in our own ways. My personal assistant has been slacking off and napping more and more each day—talk about finding it hard to get good help!

We're excited to get back to the office and continue the great work that we do down at Glen Park Community Centre.

We're still seeing a large volume of community members accessing our fortnightly community pantry and some families accessing our monthly community meals. We love that we can support our community through such unprecedented times.

What have you been doing to keep busy? I've been working on baking a super surprise and I'm so excited to share it with you all when the time is right.

Until next time—stay safe, stay healthy and stay connected!

CARAMEL SLICE RECIPE!

SHOUTOUT TO MICHELLE!!

Ingredients: 150g plain flour, 110g brown sugar, 40g desiccated coconut, 125g butter melted + 100g extra, 2 395g sweetened condensed milk, 80ml golden syrup, 200g dark chocolate melted, 1 tbsp vegetable oil.

Method: Preheat oven to 180c fan forced. Lightly grease an 18cm x 28cm lamington pan and line with baking paper. In a medium bowl, combine flour, sugar and coconut. Add melted butter, mix well. Press mixture firmly into prepared pan. Bake for 15-20 minutes until lightly browned. Let it cool. Combine extra butter, condensed milk and golden syrup in a medium saucepan. Stir over low heat until smooth. Pour over base. Bake for 20-25 minutes until golden and let it cool.

Place the dark chocolate in a microwave safe bowl and microwave uncovered on medium for 1 minute; stir. Repeat process in 30 second intervals until melted, add oil and stir until smooth. Pour evenly over slice.

HEIDI'S FORTNIGHTLY REPORT

Welcome to our 18th edition of Community Chit, Chat & Chew.

So, we're getting a little closer to being able to re-open the Centre! We're not quite there yet but at least it's starting to feel like it may happen sooner rather than later.—fingers crossed!

We're all still working from home with the odd exception to manage the Centre's maintenance and security as well as our ongoing emergency relief. All of our team, including our Committee, are staying in touch regularly via ZOOM. It's amazing how "tech savvy" you become in times of need.

Thankfully, we've been fortunate enough to access JobKeeper as well as some State & Federal funding which has allowed us to maintain the same level of staffing as well as increase our Emergency Relief to our community.

We're experiencing a much higher demand for emergency relief and fortunately, because of the increase in Federal Funding, Glen Park have been able to provide all assistance requested including payment of outstanding utilities bills for some of our most vulnerable and at risk community members.

Keep your eyes open for our online training, I encourage you to take full advantage of the FREE training while it's on offer. Now is the perfect time to upskill. If you're keen to find out more, please contact us on office@glenparkcc.com.au

I hope you enjoy this edition of our newsletter. For myself, this edition is very personal and one my family & I are so proud to share with you.

Until next time—stay fit, stay well, and stay in touch!
